

Accessing the FleetAdvance™ Console

When you log in to iConnectData (ICD), you should see a red FleetAdvance icon on your QuickLinks panel that, once selected, will direct you to the FleetAdvance console. If not, you will need to follow the steps below to add the icon.

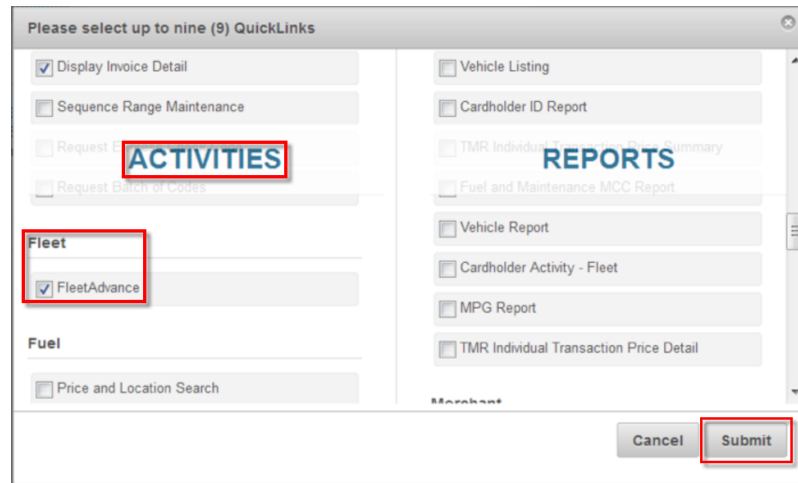

Quick Steps

Follow these steps if you need to add the FleetAdvance QuickLink.

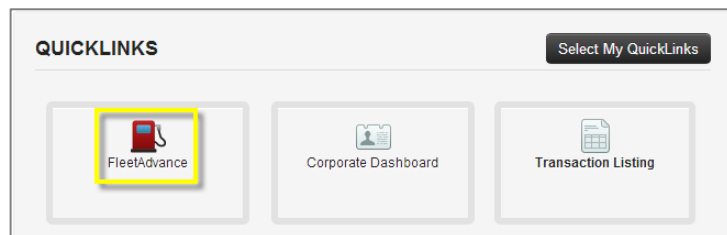

1. On the ICD welcome page, locate the QuickLinks tool and select the **Select My QuickLinks** button.

2. Select the **FleetAdvance** checkbox under the Activities section. Then select **Submit**.

3. The FleetAdvance icon will be added to your QuickLinks panel. Select the icon to open the FleetAdvance console.

Next time you log in to ICD, your FleetAdvance QuickLink will be ready.
