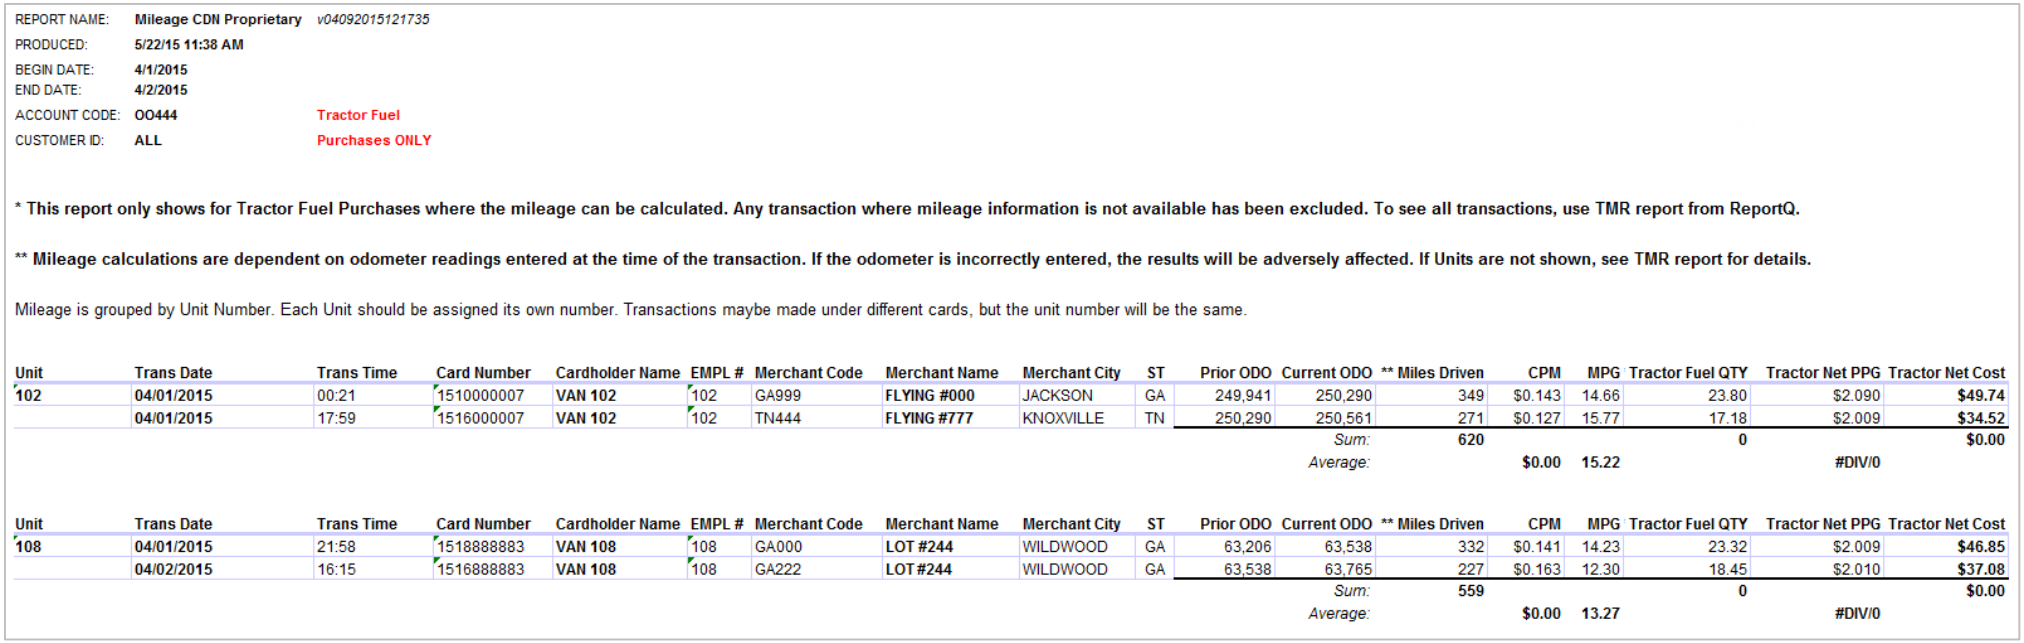
Comdata Proprietary Mileage Report

Access: ICD > Reporting > reportQ > Quick Reports > Proprietary > Mileage Report CDN Proprietary

Description: A report containing mileage details based on posted transactions for Tractor (Unit) fuel purchases made on your Comdata proprietary card, including Miles Driven, CPM (cost per mile) and MPG (miles per gallon). Data in the report is updated daily in real time.

Specifications: This report is for only Comdata Proprietary customers.

Additional Details: Available in Excel only. See the sample image below.



REPORT NAME: **Mileage CDN Proprietary** *v04092015121735*
PRODUCED: **5/22/15 11:38 AM**
BEGIN DATE: **4/1/2015**
END DATE: **4/2/2015**
ACCOUNT CODE: **OO444** Tractor Fuel
CUSTOMER ID: **ALL** Purchases ONLY

*** This report only shows for Tractor Fuel Purchases where the mileage can be calculated. Any transaction where mileage information is not available has been excluded. To see all transactions, use TMR report from ReportQ.**

**** Mileage calculations are dependent on odometer readings entered at the time of the transaction. If the odometer is incorrectly entered, the results will be adversely affected. If Units are not shown, see TMR report for details.**

Mileage is grouped by Unit Number. Each Unit should be assigned its own number. Transactions maybe made under different cards, but the unit number will be the same.

Unit	Trans Date	Trans Time	Card Number	Cardholder Name	EMPL #	Merchant Code	Merchant Name	Merchant City	ST	Prior ODO	Current ODO	** Miles Driven	CPM	MPG	Tractor Fuel QTY	Tractor Net PPG	Tractor Net Cost
