

# COMDATA® OnRoad Card

*Empower drivers with the Comdata OnRoad card, the trusted solution designed to do more.*

## ONROAD CARD

The Comdata OnRoad card offers a fee-friendly and convenient dual-sided setup allowing drivers to easily manage personal funds and company funds with a single card that has universal acceptance and zero fees when running debit transactions on the MasterCard Signature debit network.

## BENEFITS

- Immediate access to driver settlements or advances, expense reimbursements, and other cash distribution needs
- Access to millions of point-of-sale purchase locations with ZERO fees via the MasterCard network
- Access up to 100% of pay from any bank teller free of charge, at any time
- No checks to cash, ideal for unbanked employees

## A CARD DESIGNED FOR DRIVERS

When it comes to trucking, the opportunity for success – and the risk – has never been higher. Unrivaled in acceptance and flexibility, the Comdata OnRoad Card is the industry's trusted solution designed to do more, ensuring you can stay focused on the road ahead. By combining greater security, visibility and control from the Comdata Proprietary Network with the universal acceptance of the MasterCard Signature Debit Network, OnRoad delivers the most powerful, widely accepted, driver-friendly fuel and funds card in the trucking industry.

The Comdata OnRoad card empowers drivers to use payroll and settlement funds just as they might use a bank debit card, ensuring ubiquitous access to funds at any time.
