Maintenance Pack 1.0 Release Notes

Maintenance Pack Release 1.0 for Expense Track Release 18.2 is available on 07/09/2018 and includes the following:

Resolved Defects

The followings defects have been corrected:

- Users who can view submitted expense reports with any status can now add attachments to the report.

- Users can no longer have more than 999 copies of the same expense item on a draft expense report.

- If two different users upload receipt images at the same time, they will no longer override each other.

- If an expense item with receipt images is declined, the receipt images will now be returned to the Receipts queue of the original user who uploaded the image.

For more information on the items listed, contact your Comdata representative.
