# Setting up transfers from
Card to Bank

How to set up automatic transfers from your Fintwist Mastercard to your bank account.

Step 1: Login to your account at **www.fintwistsolutions.com**.

Step 2: Navigate to "**Transfer & Pay**" and select "**Card-to-Bank Transfers**" from the drop-down menu.

Step 3: Click on "**Add External Account**" and fill out your bank info*.
When setting up a bank, it may take 7-10 days to verify your account.

Step 4: Once your external account is set up, navigate back to "**Card-to-Bank Transfers**" under the "**Transfer & Pay**" section.

Step 5: Select "**Make Transfer**" and choose how much money—in dollars or as a percentage—you want to keep on your card. **The remainder will be sent to your bank account.**

Step 6: That's it! You can modify your preferences at any time.
