

Select Your Direct Deposit Option (check one box)

- Bank Account**
If you have an existing direct deposit account, you will need to provide your manager with the routing and account number associated with the account.
- Fintwist® Mastercard® Payroll Card**
We've partnered with Fintwist to eliminate paper checks and provide our employees with a more secure and reliable form of payment. With the payroll card, your money is available instantly on payday without having to pay excessive check cashing fees.

IMPORTANT

The paycard belongs to you, not your employer. It has its own routing and account number, just like a bank account. You can use it for any direct deposit, including: your second job, next job, and any government benefits (tax return, social security, etc.).

Features:

- **Mobile App:** Check your balance, view transaction history, and find your routing and account information, all with the Fintwist Paycard mobile app for Apple and Android.
- **Get Cash:** Get cash free of surcharges with the Allpoint ATM network which includes over 55,000+ ATMS across the United States.
- **Bill Pay:** Instead of using a money order or paying in cash, you can pay your bills with Fintwist Bill Pay. You can use Bill Pay for one time payments or set up automatic recurring bills like rent.
- **Freeze & Unfreeze Card:** If you lose your card, toggle it off in the mobile app. When you find it, toggle it back on. Security and convenience.
- **Everyday Purchases and Online Shopping:** Your card can be used anywhere Mastercard is accepted, even online. All debit and credit transactions are always offered at no-cost.
